

July 23, 2009

Mr. Stephen Pollan  
Assessment Technologies Group, Inc.  
4887 Belfort Road, Suite 105  
Jacksonville, FL 32256

Dear Stephen:

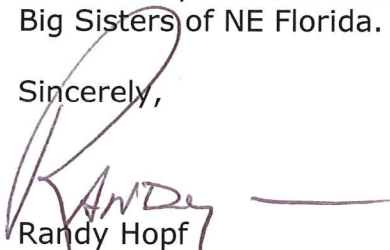

On behalf of the Board of Directors, staff, volunteers, parents and children of Big Brothers Big Sisters of Northeast Florida, we would like to sincerely thank you and Assessment Technologies Group, Inc for your support as a Silver Sponsor for Margarita J'Ville 2009.

Margarita J'Ville helps us create a greater awareness of the importance of mentoring children in our community. It also provides us with the opportunity to attract additional volunteers and dollars to help continue the mission of serving all children who need and want an adult friend in their lives.

We are very excited about this year's event. The TPC Sawgrass provides us with a wonderful venue. Our Key West-themed event will begin at 6:30 p.m. with fabulous Caribbean cuisine, free-flowing margaritas, beer and live entertainment. We create a fun-filled, relaxed, Jimmy Buffett-style atmosphere where everyone comes dressed in their favorite island attire. We know that you and the staff at Assessment Technologies Group will have an enjoyable time. We will forward all invitations and tickets to you by early September.

We thank you for enabling the work we do, and for believing in Big Brothers Big Sisters of NE Florida. Thanks for being **A Part of Something Big!**

Sincerely,

  
Randy Hopf  
VP of Fund Development
