Mr. Stephen Pollan
Assessment Technologies Group
4887 Belfort Road, Suite 105
Jacksonville, FL 32256

Dear Mr. Pollan:

On behalf of daniel, I would like to express our appreciation for Assessment Technologies Group's generous donation of a gift certificate for a party of ten to Three Sisters Chocolate. No goods or services have been exchanged for receipt of this gift.

As we celebrate our 125th year, we continue to help emotionally-troubled children get back on track, find foster homes for abused and neglected kids, and provide homeless teens with the safe environments and independent living skills they need to become productive adults.

At daniel we realize our continued success hinges upon support and donations from our community. We are so appreciative of your generosity. Thank you for helping us improve the odds for kids.

Sincerely,

James D. Kelly
Director of Development
