

Assessment Technologies Group participates in the Dignity U Wear “Dignity Excellence” Event as a Dignity Patron

It was a night filled with amazing foods from Jacksonville’s finest restaurants, specially chosen wines, silent and live auctions, and raffles.

Thanks to ATG and the many other Corporate and Private Sponsors, Dignity U Wear raised over \$25,000 for purchasing brand new clothes for, but not limited to, homeless veterans, school children, and victims of domestic violence and raised over \$3000 for the Wounded Warrior Project, which was enough to provide 30 of our service men a tailor made suit.

“Compassion is Our Common Thread.”
